# Accountant Profile

## Andrea Williams

---

### Accountant Profile

Andrea graduated from Charles Sturt University Bachelor of Business majoring in accounting. She has recently joined the team at IEC. Andrea started her accounting career in 2009, after realising her passion for accounting while working in a bookkeeping and office administration role. With Andrea's time in the accounting industry, she has experience in supporting businesses with their tax obligations, reporting requirements and record keeping. Andrea has also received her Xero certification.

Andrea was born in Dubbo, and has been be a local to the area ever since. At home, Andrea is kept busy with three young girls Georgia, Harriet & Charlotte.

### Specialisation

Andrea's experience in the accounting industry has developed her knowledge in the following:

- Individual and business tax requirements, including:
  - Income tax
  - Business Activity Statements
- Record Keeping and financial reporting
- Cash flows and budgets
- Payroll and superannuation
- Accounting software, including:
  - Xero
  - MYOB
  - Quickbooks
