

# Accountant Profile

## Megan Prout

### Accountant Profile

Megan holds a Bachelor of Business (Accounting), a Graduate Certificate in Fraud and Financial Crime, and is currently undergoing Certified Practising Accountant (CPA) studies. Megan has 13 years accounting experience covering a range of disciplines and industries and is accredited in Xero cloud accounting software.

Megan has 2 years public practice experience in supporting clients with taxation, accounting, BAS Returns, Xero training and support. Megan has 11 years management accounting experience covering various industries including, meat exportation, aged care, mining, machinery, plumbing and viticulture. In these roles Megan gained extensive experience with various accounting and industry specific programs, management reporting, cashflows, finance and asset management, payroll, superannuation, BAS Returns, payroll tax, process implementation and Xero training.

Megan has 5 years experience in using Xero in both management accounting and public practice, and has a keen interest in process management to maximise compliance and minimise fraud risk. Megan is also a Justice of the Peace (NSW).

### Specialisation

Megan's experience to date has allowed her to develop specialist knowledge in the following areas:

- Income Tax
- Xero Cloud accounting solutions training and support
- Record Keeping & Financial reporting
- Business Activity Statement preparation, including: GST PAYG Withholding Fuel Tax Credits
